Lt. General C. P. Cabell
Deputy Director
Central Intelligence Agency
Washington 25, D. C.

Dear General Cabell:

Reference is made to your letter of 16 December 1955 concerning the proposed ribbon designs for the Central Intelligence Agency Honor Awards Program.

In accordance with the heraldic principles of design a ribbon should have two colors separated by a metallic tincture, i.e., white for silver, yellow for gold; for this reason the yellow was placed on the originally submitted designs.

The designs, which are inclosed, have been checked with the records of the Office of The Quartermaster General and they do not conflict with any known ribbon designs. All are considered suitable for adoption.

Sincerely yours,

S/
